Dedication

Irwin H Linton

As we observe the history of the Washington Bible College, we are conscious that Almighty God has raised up one man after another to contribute some special ministry in its formation and continuation. Among these, who have been used greatly of the Lord to shape the destiny of the College, is Irwin H. Linton.

Since his graduation from the George Washington University Law School in 1903, he has been admitted to practice before the Supreme Court of the United States and has maintained a law practice in Washington over fifty years.

His active interest in the Washington Bible College and its predecessors extends back to the early days of the Bible Institute of Washington of which his father was one of the founders. Mr. Linton served this Institute both as instructor and administrator. Upon the combining of the Institutes in 1940, he was appointed to the Board of the new Institute and has faithfully served to the present time as a Trustee. In the classroom his favorite subject, Christian Evidences, has always been a coveted study by Christians who appreciated his mastery of the subject.

His influence for Christ is nationwide through his many magazine articles and he has been in much demand as a speaker on biblical subjects. He is the author of two books, *The Sanhedrin Verdict* and *A Lawyer Examines the Bible*, which have enjoyed extensive reading. In addition, he assumed responsibility of leadership in numerous organizations. He was President of the American Board of Missions to the Jews for over 25 years; a Trustee of the Sunday School Times for over 30 years; President of the Board of the Gospel Mission of Washington, D. C.; associated with the Christian Business Men's Committee and active as a local church member.

It is with a sense of deep gratitude to God that we dedicate the 1958 MILESTONE to one who has labored so faithfully through many years for our Lord Jesus Christ and in behalf of the Washington Bible College.

President's Message

TO THE CLASS OF 1958

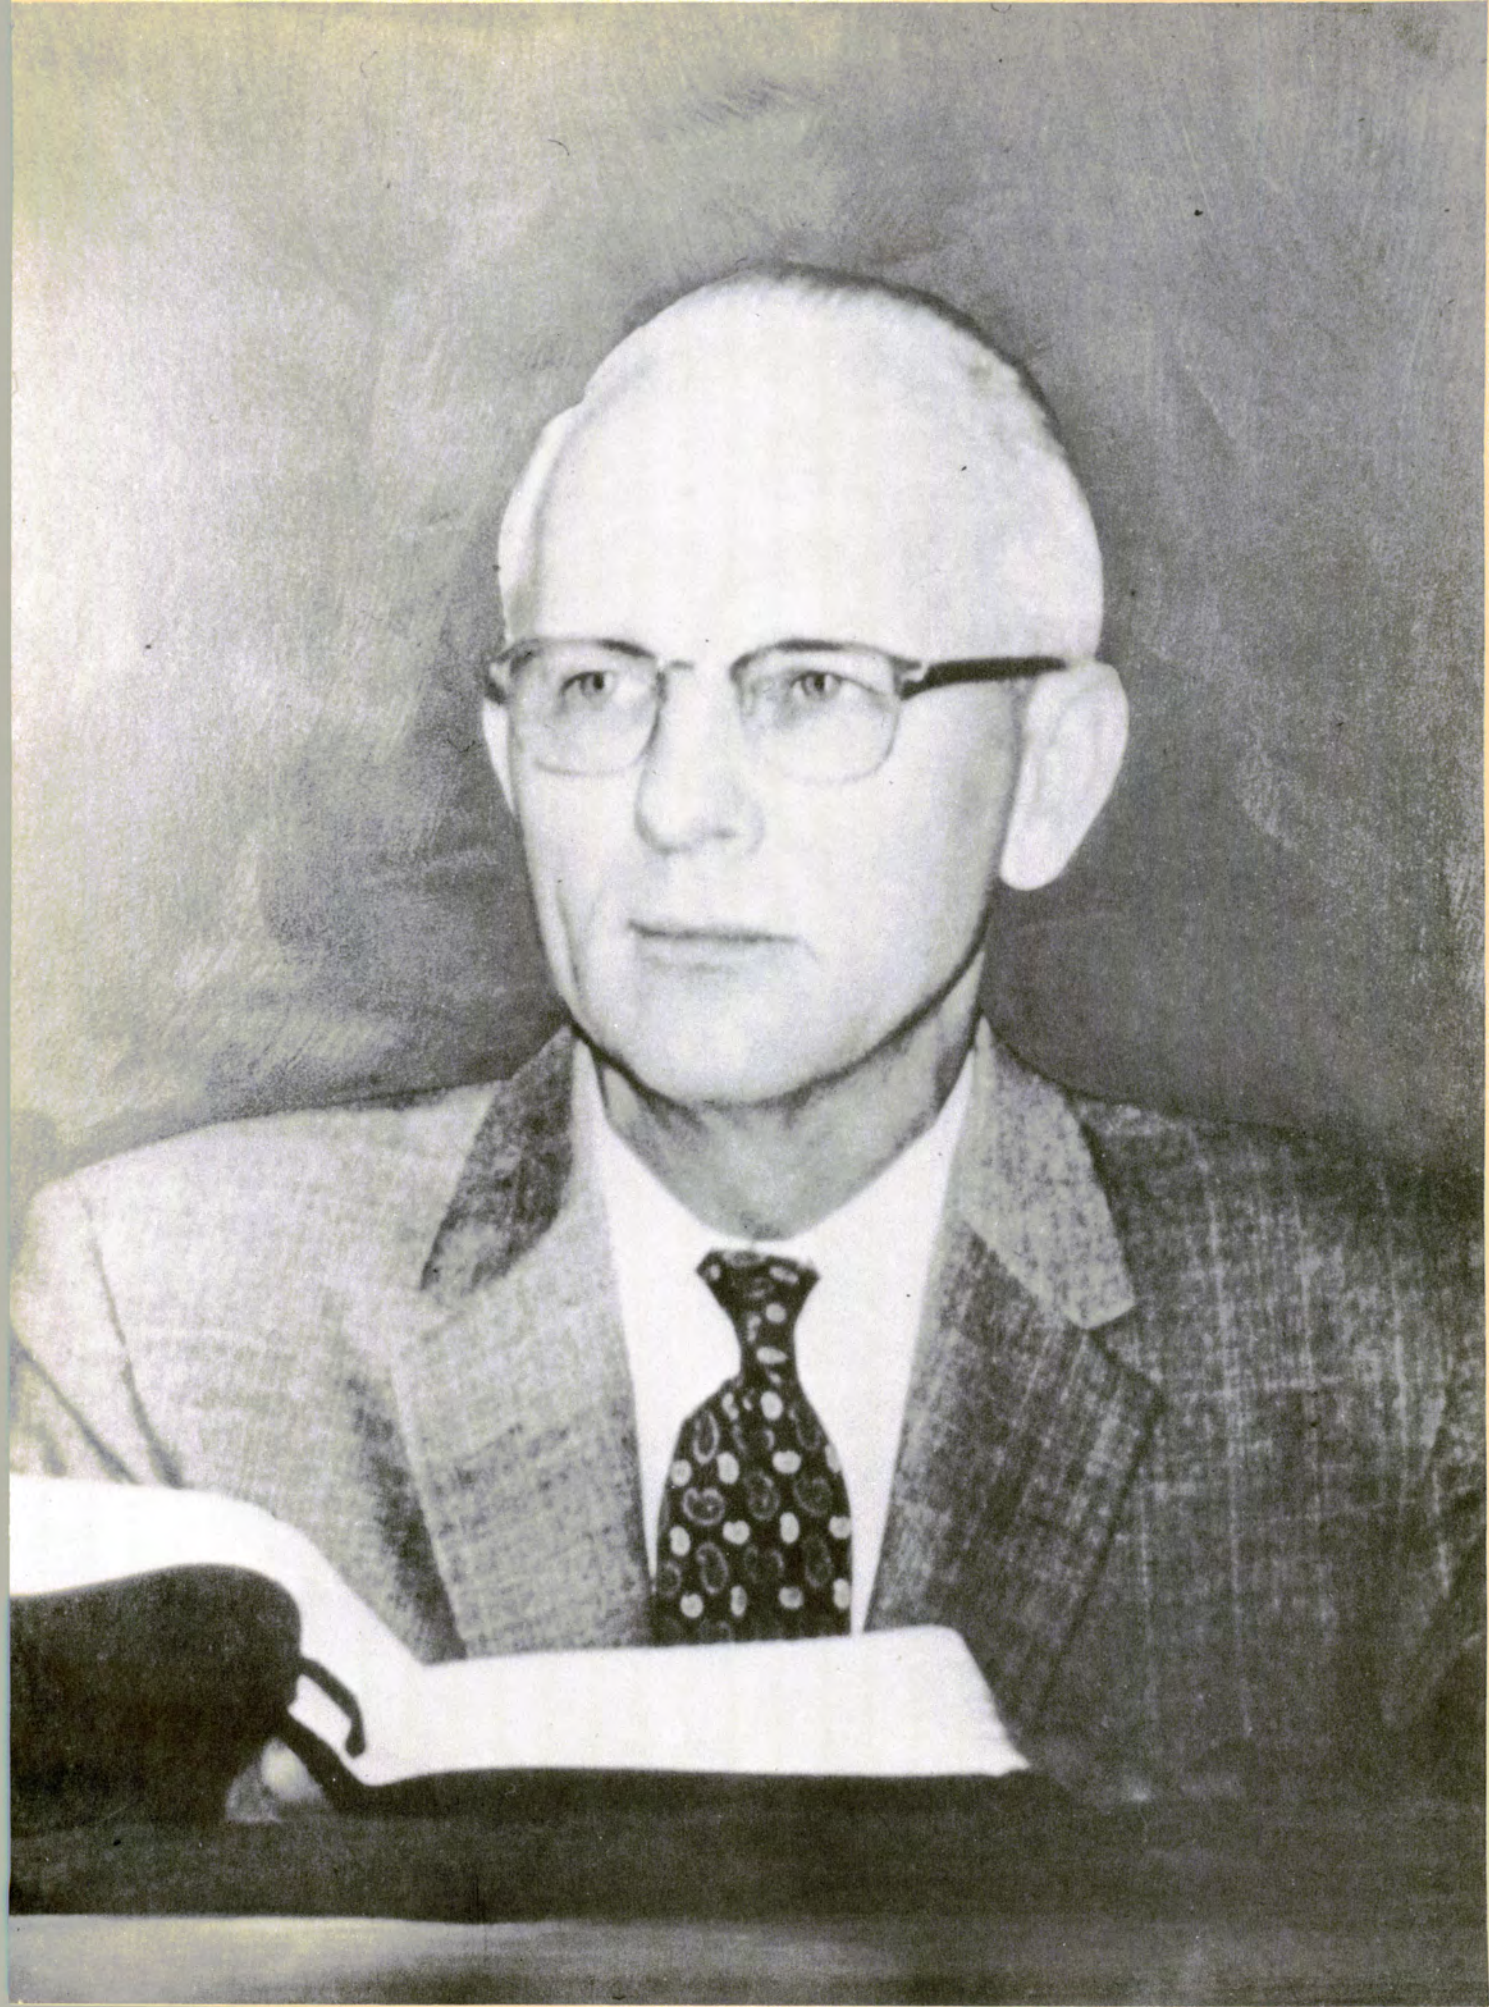

These are glorious days of opportunity! There is an urgent call coming to our ears from every corner of the globe for those who will go forth with the Word of Life. It is becoming more and more apparent however, that there are only a few who are prepared to listen to the cry and offer themselves in absolute abandonment of self that the harvest may be reaped for our Lord. It is also a distressing fact that some go, but do not stay. Discouragement and loss of vision overtake many and the ranks are depleted.

One of the dangers in education is that knowledge may be substituted for convictions. Knowledge may take a missionary to Africa; but when the trials come, only convictions will keep him there. The pulpit may seem attractive to the scholar, but the glamour will soon vanish with the tribulations that accompany service. There must be an inner power and purpose sustained by heart devotion if he is to continue.

With this in mind, the College has built its program around the motto, "The Bible in the heart, the heart of Service." This is the Scriptural view of education under which you have been trained. The head has not been neglected, but no education has arrived at its proper destination until the feet are set in motion. The head is but a door to the heart out of which, as revealed by the Holy Spirit, are the issues of life.

Convictions are precious possessions. They are of the heart and motivate our lives. For four years the Word of God has been saturating your head and heart forming these convictions which have become a part of you. Thus your future days will be directed by the heart because of a deep and abiding love for Christ. Our admonition is to guard the heart. Take every precaution to fortify your service with motives that endure—motives that are pure—built upon your devotion to our blessed Lord.

Doctrinal Statement

We believe in the Bible as the inerrant Word of God, verbally inspired, the all-sufficient rule of faith and practice.

We believe in one God, eternally existing in three Persons: Father, Son and Holy Spirit.

We believe in the virgin birth, the sinless perfection, the bodily resurrection and ascension into heaven of Jesus Christ, and in His present life there for us as High Priest and Advocate.

We believe man was created in the image of God, that he disobeyed God, and thereby incurred spiritual death, which is separation from God, and also physical death as a consequence; and that all the Adamic race are born in sin and are sinners by nature and practice.

We believe that the Lord Jesus Christ died for our sins as a vicarious substitutionary sacrifice, and that all who believe in Him are justified on the ground of His shed blood.

We believe in the personal, premillennial, and imminent return of our Lord and Savior Jesus Christ.

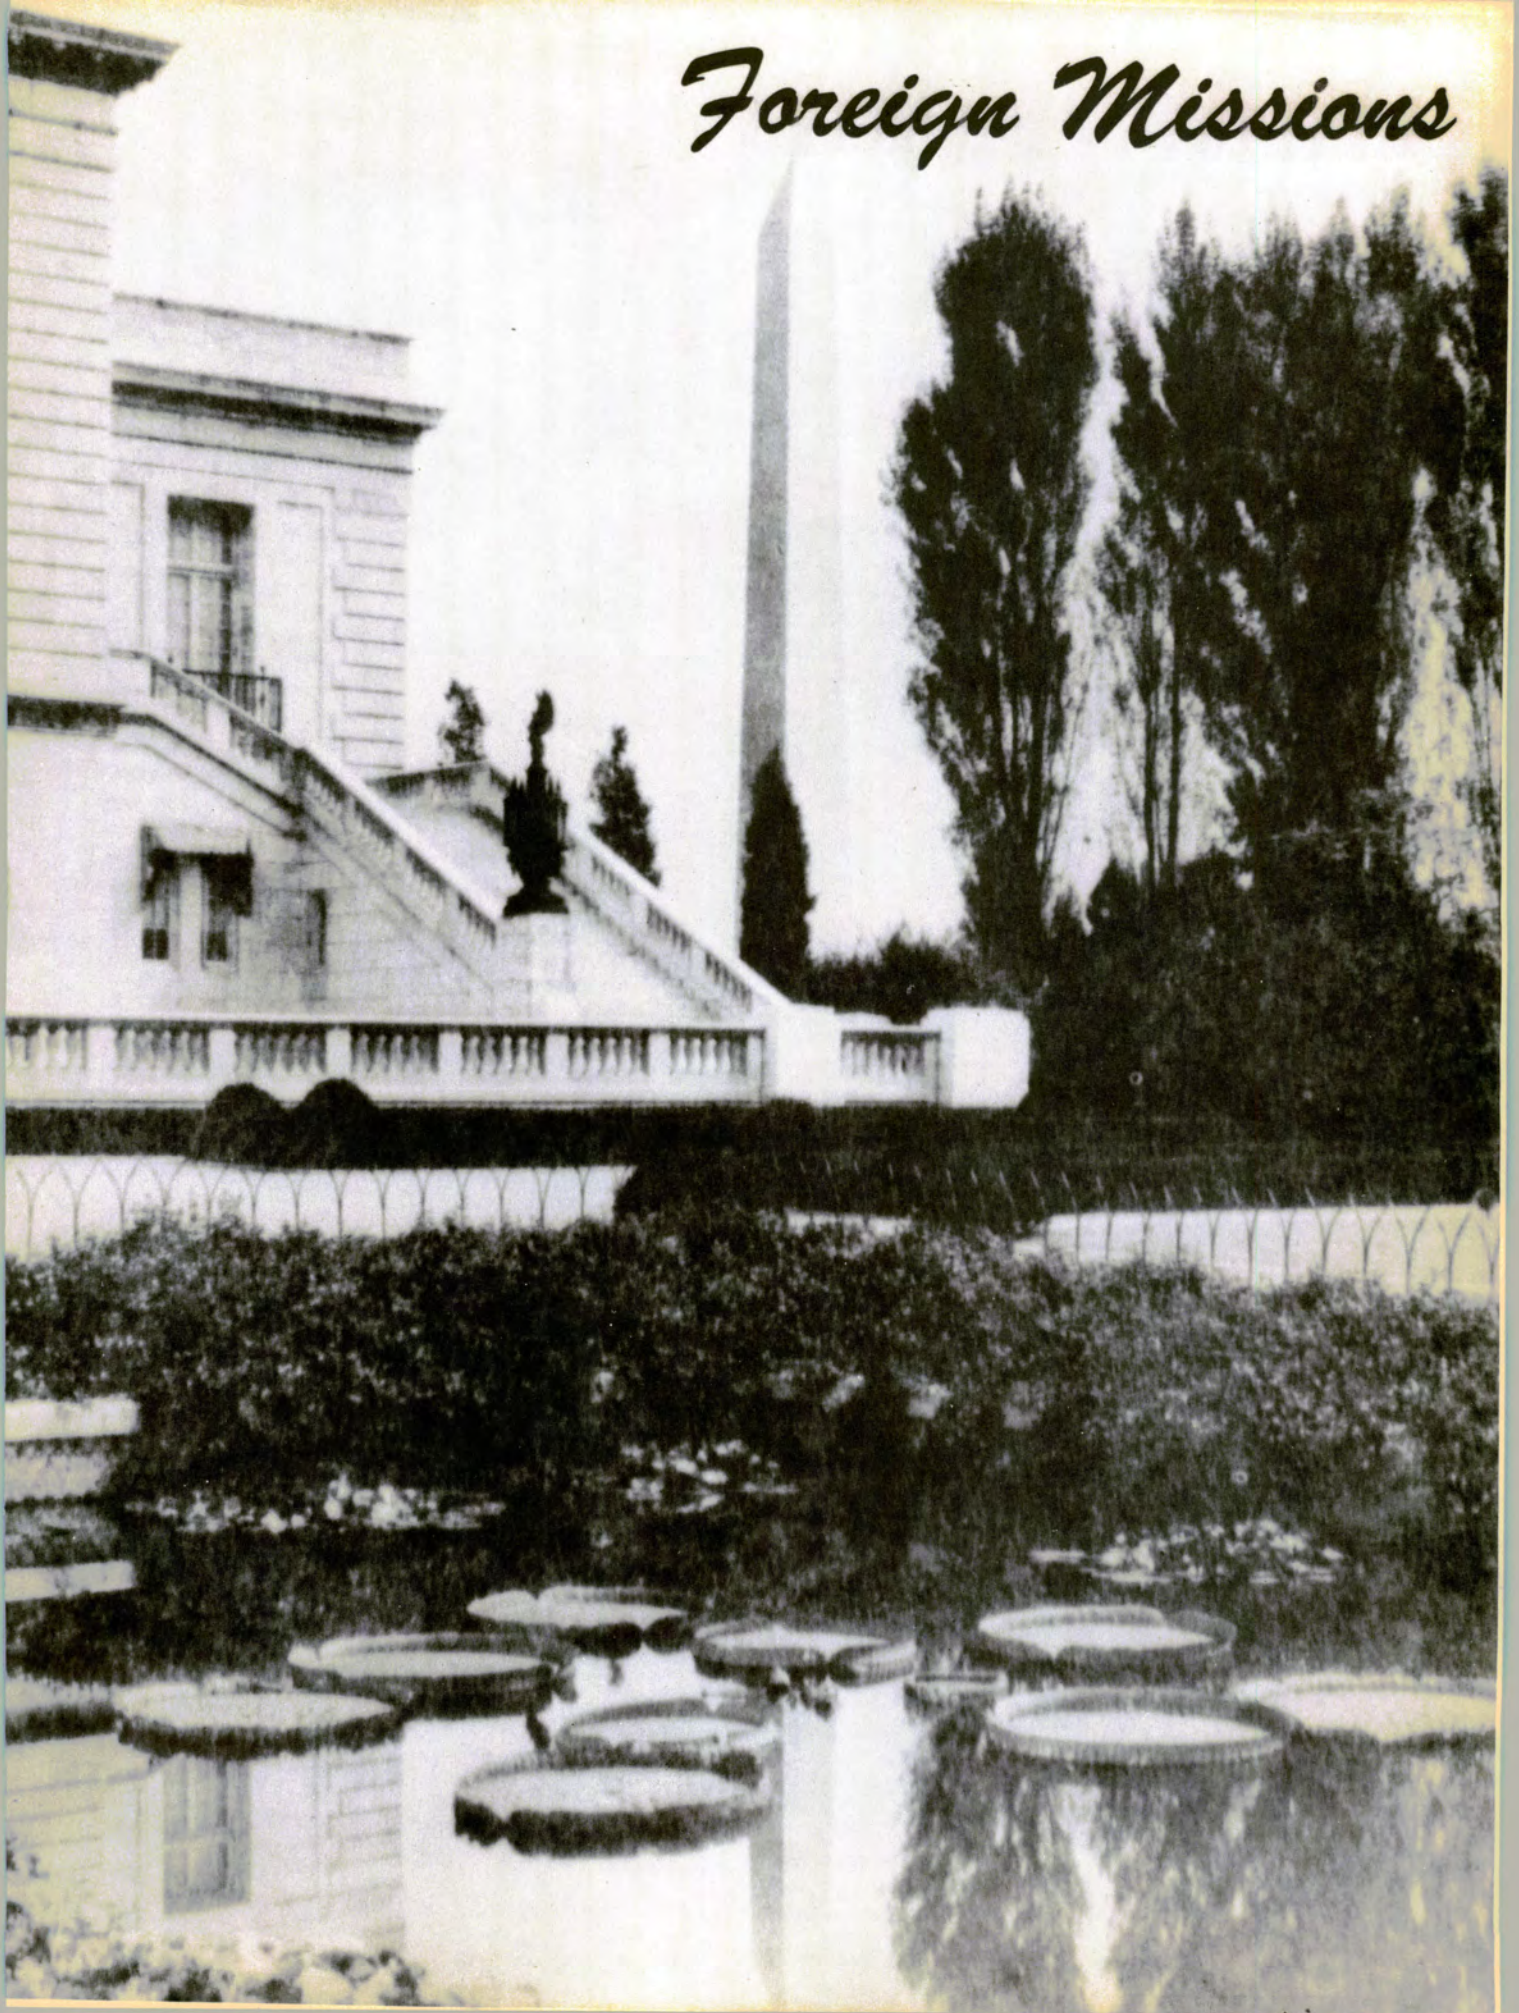

We believe that all who receive by faith the Lord Jesus Christ are born of the Holy Spirit, and thereby become children of God.

We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved, and the everlasting punishment of the lost.

We believe the Church is an elect company of believers baptized by the Holy Spirit into one body; its mission is to witness concerning its Head, Jesus Christ, preaching the Gospel among all nations; it will be caught up to meet the Lord in the air ere He appears to set up His Kingdom.

We believe the grace of God to be sufficient for the maintenance of a Godly walk, and that Christ and not the law is the believer's rule of life.

The purpose of the Foreign Mission Fellowship is five-fold. First, to spread the knowledge of the foreign field in educational institutes, to stir the student world, and through it the Christian Church to the primary obligation to make Christ known in all the world in our generation. Secondly, to call out students who will purpose to go to the foreign mission field and to help students who are praying about the missionary call to know God's will for them. Thirdly, to study to know mission fields and their needs. Fourthly, to promote the close association of Christian students looking forward to foreign missionary service for fellowship, prayer for missions, spiritual strength, and service. And last of all, to cooperate with all other Christian activities on the campus which honor Christ and His Word.

Membership in this organization consists of students and faculty members of the Washington Bible College who shall subscribe to the Basis of Faith and Purpose of the Student Foreign Missions Fellowship of the Intervarsity Christian Fellowship.

The Foreign Mission Fellowship meets each Thursday. These meetings are taken up with speakers, prayer bands, or business.

The Foreign Missions Fellowship each year works toward an annual Missionary Conference which is supported by the students who give throughout the year. This year the Missionary Conference is being held March 27th and 28th.

HONOR SOCIETY

The Chi Alpha Omega scholastic honor society came into being at the time of the graduation of our first class from the three-year Bible Institute course in 1949. At the time the fourth year was added and the academic program was placed on the collegiate level, in 1953, the society was reorganized and its present name was adopted.

The purpose of the society is three-fold: (1) To encourage students to study the Word of God carefully and thoroughly; (2) To promote and encourage high scholastic attainment; (3) To inculcate uprightness of character and humbleness of spirit. The name Chi Alpha Omega symbolizes "Christ, the Beginning and End." The motto of the society is II Timothy 2:15, a challenge to the student to study to show himself approved unto God.

Honor pins and a key are awarded progressively to students who maintain a cumulative quality point average of 2.5—at the completion of the first year, the Chi pin; at the end of the second year, the Chi Alpha pin; at the end of the third year, the Chi Alpha Omega pin; at the end of the fourth year, the Chi Alpha Omega key. To qualify for any award, the student must carry an average academic load of fifteen semester hours.

STUDENT COUNCIL

The Student Council's purpose is primarily of a spiritual nature. Its function is to promote activities which will stimulate the student to become a dynamic representative of Christ. Organizationally, it forms a unit for the purpose of conducting student affairs and forms a liaison between the student and the faculty.

The spiritual aspect can be accomplished in two spheres of action—Prayer and Christian Activity. As to prayer, the Council is in the process of launching a program whereby one member of the Alumni, Faculty or Student Body will be prayed for each day in a specific manner.

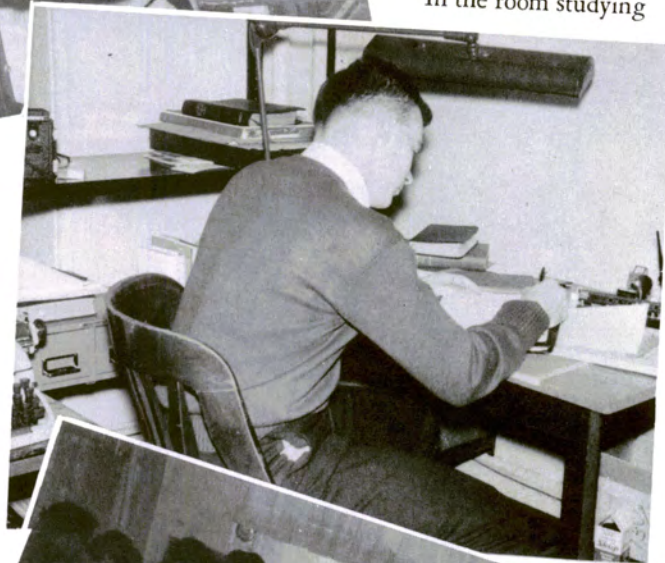

Relevant to Christian Activity, the Student Council is interested in seeing more well trained teams circulating locally with the message of Christ. There are at present two or three groups out, but we feel that this can be increased by spontaneous action of the Student Body.

Yearbook

The Purpose of the 1958 Milestone

There are two purposes of the 1958 edition of the Milestone. The first is to acquaint young people with the school and what it stands for; also, to encourage them to study God's Word in a systematic way. Secondly, as the students of Washington Bible College know Christ, so it is our desire that this yearbook will make Christ known to those who know Him not, and enable those who already know Him, to know Him better.

As editor of the yearbook, I wish to express my thanks to all those who helped make this book a success, including the many who volunteered help when we needed it most. It can be said that our motto was, "Whatsoever thy hand findeth to do, do it with thy might . . ." (Eccl. 9:10a). To those of you who read this book may it be a source of spiritual blessing and encouragement in the service of our Lord Jesus Christ.

Alumni

ALUMNI

The Alumni Association's purpose is to see the school, in which we studied God's Word, made known to other young people, whose desire it is to study the Word. We believe in the Washington Bible College and its program of education for the prospective Christian leaders.

We also have established a student loan fund that is designed to assist students with their financial problems. These problems sometimes mean that a deserving student has to leave school, or lose precious time that could otherwise be spent in their studies.

The Alumni Association, therefore, recommends the Washington Bible College to all young people desiring an education that is keyed to the Bible. You can avoid being confused by a flood of subjects that dilute the true blessing that is yours through concentrating your efforts on our Saviour and the Gospel of Salvation. These are found only in His Word. If you are called of the Lord, to study His Word, we heartily invite you to the Washington Bible College.

Auxiliary

W.B.C. WOMEN'S AUXILIARY

In its three years of existence, the Women's Auxiliary has become an integral part of the ministry of W.B.C. Organized with the intention of rallying interest and prayer support in women associated with the College, the Auxiliary has also been enabled of the Lord to lend considerable financial help in purchasing large pieces of kitchen and household equipment and in decorating guest and dormitory rooms.

Major emphasis is now being laid on undergirding W.B.C.'s Alumni missionaries with a systematic prayer project. Eight committees, each with a chairman, have been assigned one or two missionaries representing world-wide evangelism. This program has been mutually encouraging—the Alumni grateful for regular prayer support from representatives of their Alma Mater, and the Auxiliary happy in having a vital part in missions.
